Dear Sirs,

RE: WALTER CARTER PTY LIMITED – proposed sale
PROPERTY: 292-302 OXFORD STREET, BONDI JUNCTION

As instructed by you I have surveyed the whole of the land comprised in Computer Folio Reference 1/546065 being Lot 1 in Deposited Plan 546065 having a frontage to Oxford Street and a rear line to Hegarty Lane at Bondi Junction in the Local Government Area of Waverley Parish of Alexandria County of Cumberland and being the land shown on the accompanying plan.

I HAVE TO REPORT that erected thereon is a one, three and four storey brick building (residential units above) known as "Walter Carter Funerals" No. 292-302.

The position of the building in relation to the boundaries is shown by dimensions and notations on the accompanying plan.

The boundaries of the land not occupied by walls are partly fenced, fences standing substantially on or near the boundaries as noted.

Excepting part of the northern wall, which stands up to 0.02 metres upon Hegarty Lane as shown on the accompanying plan, the rain head attached to the western wall of the building adjoining to the east, which overhangs the subject property by 0.2 metres as shown on the accompanying plan and irregularities in fencing, there are no other apparent encroachments by or upon the subject property.

The property is affected by Covenants created by Book 2903 No. 740 and Dealing No. L199015.

Subject land has been surveyed for identification purposes only. Should additions or further improvements be erected upon the subject land, I would advise that the boundaries be marked on the ground prior to construction.

Yours faithfully,
